INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Relative to your application for a share of the money appropriated for the Eastern Cherokee, you state that you claim through your mother, Sallie Smith, your grandfather, Richard Henson, and your grandmother, Peggy Henson, stating that you were enrolled in 1851 in the Flint District. The names as you have given them do not appear upon the roll of 1851, and, in order to aid this office in tracing your Indian ancestry, you will have to furnish me with more information than you have given in your application. Why was your grandfather, Richard Henson, not enrolled in 1851, if he was living at that time, and why was your grandmother, Peggy Henson, not enrolled in 1851 if she was living at that time? In what district were you living in 1851? Where was your mother, Sallie Smith, living in 1851? What were the names of your great grandparents on your mother's side? App. No. 5306.

Rosa Smith, ----- being duly sworn, deposes and says:

My name is Rosa Smith. My age is 39 years the 22 of April. I was born and raised in Flint District. I got the bread and strip payment. I was enrolled by the Dances Commission, Cherokee Roll #1954. I get my Indian blood from my mother. She is dead; been dead 4 years; was 84 at her death. She lived in Flint District. She came from the Old Nation here about 65 years ago. Her name was Sallie Smith. Her maiden name was Henson. I never heard her Indian name. Dave Muskrat filled out my application. I think they know her Indian name. I don't know why she was not enrolled, as I have always understood that she was enrolled in 1851. She went by the name of Sarah Henson. I don't know what year she came out here, but she went back East at one time when she was small. She had five brothers, or rather four that I know of. Boot Henson, which was a nick-name; I think his right name was Ben; Bill Henson; he died at Tahlequah, but lived at Vian; came from the Old Nation since the war; Joe Henson; I have a brother named John Smith now about 65 years old. Joe Henson lived in Coo-wee-scoo-wee, and came out here since the war; also Tom Henson, over 50 years; he has a large family. Benjamin also came out since the war. I don't know in what State they lived when in the East. Joseph had children; I don't know their names. My mother's father's name was Richard Henson. I never saw him. He has been dead a long time. I think he died about the time of the surrender. (For Hensons look on 1851 Roll.) Sarah and John Smith, Chap. 50 and 51. Judy Henson was my mother's sister. Billie Henson is another sister of my mother. I don't know why my mother's grandparents were not enrolled, as I have always understood that they were, as they were Emigrants. I have heard my mother talk about coming here lots of times. My great-grandma was a full-blood? She was a Blair ~~xxxx~~ after marriage, and a Fields, I think, before she married. They all had Indian names but I don't know them. They never joined any other tribe of Indians. Peggy Blair married Richard Henson; she was my grandmother; Sis Crow is an aunt of mine, ~~an aunt~~ of my mother's; she died last May. My mother came before the war, but her brothers came after. Grandfather Henson came with the Emigrants and then went back, and when she married ~~xxxxxx~~ she came again.

STILWELL I.T. Apr 20TH 07

To The Honorable Commissioner of Indian Affairs
Washington D.C.

Hon. Sir:- I write you at the request of one Chulio Liver of Stilwell I.T. a fullblood Indian with regard to his application for participation in the funds arising from the judgement of the Court of claims in favor of the Eastern Cherokees . His application being numbered 5324 , Mr. Livers states that ~~his~~^a notice of receipt from the Commissioner of Indian Affairs was addressed to Charlie Livers and as he knows of no one by that name he supposes that it was intended for him and the same should have been CHULIO LIVERS . He further says the fact that he has never recieved a receipt from you acknowldging receipt of his application is why he makes inquiry at this time , He says his name appeared on the old Eastern Cherokee rolls as Chulio Liver and fears in some way there have been a mistake possibly in making his application, he asks to be advised at your earliest convenience ,

very respectfully yours

By request of Chulio Livers

John Lowrey,

Nowata, Okla.

Sir:-

A party by the name of Nannie Fodder has filed an application to share in the Eastern Cherokee Fund, and gives your name as an uncle, but she does not state on which side you are related and evidently has her relationship considerably mixed. If you are related to this Nannie Fodder, whose postoffice is Leach, Okla. and who has married one John Fodder, will you state the manner of your relationship? Was either her father or mother your brother or sister or half brother or half sister? If you are related, give the Indian and English names in full of all your brothers and sisters and half brothers and sisters, and your parents and step-parent, if any.

Where were Nannie Fodder's father and mother living in 1851, and with whom were they living, and were they Emigrants or Old Settlers?

Nannie Fodder claims to be the daughter of John Jackson or Jah-nie Ja-go-so-nie and Mary Watt or Gah-lo-lo-he - maiden name, Mary Terrell.

Have you any brothers and sisters or half brothers and sisters living at the present time? If so, what are their present names

J.L. - 2

and addresses? What was Nannie Fodder's name before she married her present husband, John Fodder?

Will you kindly give us all the information you can that will aid us to identify the ancestors of this party on the Emigrant roll of 1851, and in replying refer to F.D.R. using the enclosed envelope which requires no stamp.

Very respectfully,

Special Commissioner.

Sir:-

A party by the name of Nannie Fodder has filed an application to share in the Eastern Cherokee Fund, but we are unable to locate her by that name on the Cherokee roll of the Dawes Commission. She gives her postoffice address as Leach, Okla. and states that John Fodder is her husband. She states she was born in 1863 and that her parents were John Jackson and Mary Watt, also gives as half Susie Hendricks, Aggie Night and Walter Watt as her sisters and half brother.

If this party is enrolled by the Dawes Commission, will you kindly furnish us with her number, and in reply refer to F.D.R. Application #4330.

Received your letter in regard

I know her and know that
she says she is related to me but
in what way I don't know.

By writing to Jackson Redbird

you more information than my

I have no full brothers and

on my mother's side; Silas Holland,

half brother on my father's side,
Ellis Lowrey at Muskogee, Okla.

This is all the information I can

Muskogee, Oklahoma, January 21, 1909.

Mr. Guion Miller,
Special Commissioner of the Court of Claims,
601 Ouray Building,
Washington, D. C.

Sir:

I am in receipt of your letter of January 14, with reference to the application of Nannie Fodder (No. 5330 F.D.R.), in which you state that this applicant gives her post office address as Leach, and states that her husband is John Fodder. She was born in 1863 to John Jackson and Mary Watt, and gives Susie Hendricks, Aggie Knight and Walter Watt as her half-sisters and half-brother. If she is enrolled by this office you desire to be advised as to her roll number.

In reply you are advised that the name Nannie Fodder answering to the description of the person making this application cannot be found on the roll of Cherokee citizens. However, there is found on this roll opposite No. 25847 the name Susan Fodder, who according to the record was born about 1861. Her husband is John Fodder, her father Johnson Watt and her mother Mary Watt. Her post office is given as Leach.

Guion Miller - 2.

There are also found Aggie Knight, whose father is Johnson Watt and mother Cah-le-lah Watt, apparently a half-sister of Susan Fodder; and also Susie Hendricks and Walter Watt, who appear to be children of Johnson and Mary Watt; consequently, brother and sister of Susan Fodder.

Inasmuch as it is the experience of this office that the names of Cherokees are exceedingly unstable, it is thought more than probable that this is the person to whom you refer.

Respectfully,

Acting Commissioner.

Sir:-

Relative to your application #5347 for a share of the money appropriated for the Eastern Cherokee Indians, you state that your father's name is Lewis Lewis. Is this correct, or an error on the part of the person who filled this application? I wish you would furnish this office with the correct name of your father, giving the name under which he was enrolled in 1851, also state your mother's English and Indian names, and, although you state you do not know your father's or mother's parents, it is absolutely necessary that you furnish this office with their names. If your father's name is ~~now is Ten-ne Downing~~ as his brother, and why, if Ten-ne Downing is his brother, is there a difference in the name, unless your mother was married twice? Sir:-

In answer to your letter of January 2, 1908, relative to the claim of James Lewis for a share of the Eastern Cherokee Judgment Fund, in which you state that James Lewis does not claim anything from this fund on account of his father, but through his aunt whose name is Ton-ne Downing, will say, I cannot understand why James Lewis does not claim through his father and mother, unless they belong to some other tribe of Indians. As this is a per capita payment, and not a per stirpes, he cannot claim through his aunt, but must claim through his father or mother.

To what tribe of Indians did his father and mother belong? Were they what was known as Eastern, or Emigrant, Cherokees, or "Old Settlers", or did they belong to some other tribe of Indians in the Indian Territory. As I stated before, the names as he has given them are not upon the rolls.

Respectfully,

Special Commissioner.

Dear Sir:-

Mr. James Lewis of Turley Oklahoma asks me to answer your letter of December 18th in reference to the Eastern Cherokee claims No 5347; And in answer thereto Mr. Lewis says that his father was called Louie or Lewis Lewis he does not know which way his named was spelled, and as far as he knows he was enrolled under that name, his Mothers named as well as I can understand him was Che-Co- Nella, Lewis, I do not know neither does he know if this is the correct way to spell her give name, but it is the best spelling and pronunciation I can give it as he pronounces it, he does not know any name for her in English, it is also impossible for him to give the names of his Grand Parents, there is none of Mr. Lewis's relations living that he knows of, Mr. Lewis also says that he does not claim anything from this fund on account of his father but through his Aunt whose name was Ton-ne Lewis and she married Downing, and he claims that Ton-ne Downing was on the Eastern Cherokee roll and that he is the only living heir to her interest in said payment, she having been moved here with the Eastern Cherokees, Mr Lewis is a full blood Indian and it is hard to get these names spelled right, if there is any other information that I can get for him let me know.

Yours Truly.

Application No. 5365

August 28, 1907.

Mr. David Clark,

Huntington, W. Va.

Dear Sir:-

Replying to your letter of August 27, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at the present time whether or not you are entitled to participate in this fund, or how much each successful claimant will receive.

As there are already over 36,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined, no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

Madam:

Replying to your letter of Sept. 4th, 1909 relative to your application for participation in the Eastern Cherokee fund, you are advised that it appears from an examination of the application and claim of John T. Sweaney, No. 8233 that his claim was through clerical error marked "admitted" instead of "rejected" and his name was improperly enrolled as entitled to share in the Eastern Cherokee fund. I have this day written to him notifying him of this mistake.

Very respectfully,

Special Commissioner.

Kind sir in reply to yours of the 18th
ult. in regard to my Application 5558
I claim the right to participate in the
distribution of the Eastern Cherokee fund
through my Father John W. Swancy. he
having Cherokee Indian blood from both
his Father and mother namely Levi

Woodson Swancy. and Myra Emily
Swancy her maiden name being Myra
Emily Blackard. her mothers name was
Elizabeth Blackard. and Myra Emily
Swancy (or Blackard) Father being Mr
Blackard. We do not know his given
name he was drowned in the Cumberland
River some time prior to 1835

my Father's Ancestors came to Missouri
about the year 1835. Probably a little
earlier as we have not got the exact date.
from them. my Father's Grandfather came
from Kentucky and if it was stated
in my application that my Father
came from Kentucky it was
a mistake as they came from Tennessee
my ancestor was not a freed man as
there is no Negro blood in them
my age 36 yrs was born Aug 31 - 1872

My Grand Parents resided in Dallas co
mo in 1851 and after the civil war
my father settled in Miller Co Mo
So I claim the Right through my
Father he through his father and mother
both, as they were both part Cherokee
Indian my Father's Grand Father was
Jeremiah Sweeney but his Grand
Father Blackard ~~to~~ cannot give his
Christian name. My uncle Andrew R.
Sweeney of Jefferson City Mo
can probably give his name

App. #5383.

December 18, 1907.

Mary Alice Gordon,

Eugene, Cole Co., Mo.

Madam:-

Relative to your application #5383 for a share of the money appropriated for the Eastern Cherokee Indians, you state that you claim through your father, John W. Sweaney, and that your grandparents on your father's side were Levi Woodson Sweaney and Myra Emmeline Sweaney. The name of Sweaney does not appear upon the rolls of 1851 or 1835. You further state that your grandparents were born in Kentucky and that they resided in Miller County, Missouri in 1851, and that your father resided in Dallas County, Missouri in 1851. Will you please inform this office by what right (that is of blood) you base your claim to be related to the Eastern Cherokee Indians?

Who was the Indian ancestor of your family? Was that ancestor on your father's side or mother's side? What degree of blood relationship do you bear to said full-blood Cherokee Indian? Where did this said Cherokee Indian reside in 1835? If not living in the East, in 1835, where was the first place of residence which the said Cherokee Indian moved to in the West? Was he or she an "Old Settler"? You will have to trace carefully, starting with the Indian ancestor and working back to yourself, giving all the names of your ancestors who came between you and said Cherokee Indian. Was this said Cherokee Indian a Freedman—that is, did he have any Negro blood, or was he
